Agence e-santé is pleased to invite you to the third edition of the **RegTech Summit to be held on October 17th at Etablissement Namur from 13:00 to 18:00.**

**Attend an exclusive programme
of seminars & presentations
delivered by key players in regulation
& technology solutions**

**Become a major actor
in a data-driven economy**

**Understand current regulatory
& institutional challenges**

This year, the event is hosted during the cybersecurity week and will address the topic «The age of privacy champions: when compliance meets performance».

The programme will include specific insights on:

- * How to turn compliance into opportunities?
- * Privacy: User Experience is the Next Big Thing
- * Outlook of the European RegTech Market and new needs
- * The fastest way to compliance: 5 success stories of institutions leveraging RegTech
- * How to pave the way of collaboration between Fin/RegTechs & Financial Institutions?
- * How to convert a compliance department from a cost to a profit center
- * RegTech principles applied to other sectors than the financial one - how and why?

Please find out more information on www.regtechsummit.lu

Invitation code*: **AGS19**

* Invitation codes are dedicated to endusers: risk managers, compliance officers, lawyers, Heads of regulatory affairs, private bankers, fund managers, insurance directors, Heads of Compliance, Heads of Regulatory Reporting, Heads of Innovation, CTOs, COOs, CIOs, Chief Data Officers, CISOs, etc. Entry for services providers and consultants is €250 ex VAT.
